A shoulder to lean on

Where do dogs, cats and their families go when times are tough?

Lately, many of us have watched friends and family members undergo significant life changes and perhaps experienced some of these events ourselves. Job losses and lifestyle shifts have become commonplace due to the current economic downturn.

We see these challenges on too many faces - a family forced to move into an apartment that won't allow their seven-year-old dog, a realtor that finds a starving and abandoned cat in a recently foreclosed home, a utility worker who stops to save the kitten he has seen tossed from a moving car or the elderly gentleman who for the first time in his life asks for help...just to feed his small dog.

Despite the hardships of the year just passed, you showed how much you care. From the grade school students collecting pet food and treats, to the family who comes out every weekend to walk our dogs, to the anonymous truck driver who quietly

drops by to see our pets, always leaving a \$20 bill in our donation jar. You have kept us optimistic.

The foundation of Cascades Humane Society is providing basic needs like food, shelter, toys and treats to animals in need. Perhaps most importantly, we provide tender loving care and attention to each animal until they find their forever home.

You can be proud, as I am, to be part of the Cascades Humane Society family and rest easy knowing, that because of you, pets and families in our community can lean on us in times of need. Thanks to your continued support, we will continue connecting animals in need with people who care.

With deep appreciation,

Debra Carmody
Executive Director

Mission Statement

Caring for... Helping...
Supporting... the families
and pets of our community.

Vision Statement:

A community in which all pets have loving homes and are treated with compassion and respect.

The Cascades Humane Society Endowment Fund Receives its First Gift!

"I was delighted to make the first gift to the new Cascades Humane Society Endowment Fund in memory of my father, Allen E. Spiess, Sr. The Endowment Fund gave me the opportunity to help provide long-term stability and support for the organization that my father and I have believed in for many years. In addition to supporting the annual operating fund, I encourage everyone to consider an Endowment Fund gift. It feels good knowing that you've helped insure the future of CHS and the animals we all care so much about." - Al Spiess, Jr.

New at Cascades Humane Society in 2008

- We celebrated 5 years in our beautiful Adoption Center.
- The Strategic Plan was developed and implementation began.
- The CHS Endowment Fund was formed.
- The 1st Annual Dog Days of Summer was held in the Paw Playground offering dogs and their owners a weekly time to socialize.
- Peanut, a one-year-old special needs Chihuahua, became a member of our Outreach and Education Team.
- Comcast's 'Pets on Demand' allowed viewers to see our adoptable animals via a CHS and Comcast partnership.
- Volunteers beautifully landscaped the CHS Gardens.

Staff and volunteers celebrate five years of operation at our Adoption Center.

(Above, before and after) ANNIE:
Who knew there was a white shih-tzu under all that hair!

(Right) WINSTON: Quirky and lovable

Holiday Happiness under the Tree

A holiday letter from Annie's new family read "She is an absolute delight and a great addition to the family. We wanted to thank you for taking such good care of her and also for being so helpful with the adoption. Thanks again and Merry Christmas!"

Perfectly Persnickety

When Winston came into CHS, the staff fell in love with this long haired, quirky, orange cat. We allowed him to wander the administrative offices in the morning, hoping he would get some much needed socialization.

Winston soon became the highlight of the morning, making his rounds and visiting everyone to say "hello." When Winston tired of visiting, he would find his way to the adoption desk. There he'd knock over the pencil container in search of something to entertain him. Although we were sad to see him go, Winston was adopted by a wonderful family that understands and appreciates his unique personality.

Balinda Cavazos - Healing Dogs, Healing People

"I never imagined Jasmine would turn out to be such a wonderful dog!" said Balinda Cavazos about the mixed breed dog she adopted almost two years ago from CHS. In fact, Jasmine was so well behaved, Balinda trained her to be a therapy dog. Together they visit patients in nursing homes and hospitals.

"Jasmine's favorite hospital is the University of Michigan where she can visit the children's units," Balinda said. They also visit area schools to raise awareness about therapy dogs and the impact they have on the lives of many people.

Jasmine and Balinda practice their therapy at home as well. When Lucy, a small fox terrier, gave birth to three puppies soon after she arrived at CHS, a foster home was needed quickly.

"Sure," said Balinda and she opened her home to the new family.

While fostering mom and her pups, Balinda helped Lucy work through the insecure behavior she demonstrated around men. Lucy adapted well to family life and after two months in foster care, she and the pups returned to CHS ready to begin their lives with adoptive families.

Balinda has supported CHS for several years, by volunteering her expertise as a dog trainer. She and husband, Julian, have fostered several dogs with behavior issues.

"The behavior that the dogs learn while in our foster home helps with the transition into their new home." said Balinda. CHS thanks Balinda for helping our obedience challenged dogs learn the proper manners and basic commands that will make them adoptable and help them find their forever homes.

Above, Balinda Cavazos with Lucy. Left, Charlotte, a long time volunteer with Cascades Humane Society, who adopted Lucy. "Lucy fits right in. She is a great companion and we have a lot of fun."

Make a Lasting Gift In Honor or In Memory of a Loved One

THE PAW PLAYGROUND – Jackson’s only public dog park

Donated by an anonymous donor, our Paw Playground is located on the CHS grounds next to our new garden area. The Playground has separate fenced areas for large and small dogs, as well as “time out” areas. Trees offer shade and there is running water. The “Dog Days of Summer”, June through August, provide weekly opportunities at the Playground for animal lovers to meet and socialize with others and their dogs.

THE GARDENS

In the final stages of development, the Gardens are located between the Adoption Center and the Paw Playground. After crossing over the handsome handmade wooden bridge, you will find trees, colorful plants and large rocks which line the paths leading to our beautiful gazebo and pond.

Our new Gardens and the Paw Playground offer very special ways for you to assist animals in need while recognizing or honoring a special person or pet.

STARS – For \$250 a bronze star will be engraved and mounted inside the gazebo which offers a place for quiet reflection.

STEPPING STONES – For \$500 a stepping stone will be marked with your permanent inscription and placed along the edge of the walking path in the Gardens.

TREES - For \$1,000 this permanently inscribed dedication in granite will be placed by a lovely, shade providing tree in either the Paw Playground or the Gardens

BENCHES – For \$2,500, in the Gardens or the Paw Playground, a permanent and useful bench of stone and recycled plastic will provide an attractive but durable addition. The recycled plastic boards are permanently inscribed with your dedication.

ROCKS – For \$5,000 large rocks located throughout the Gardens are also available for permanent inscription denoting strength and lasting beauty.

Look for the grand opening of our Gardens in September!

Please contact Bev McGill at 787-7387 ext. 29 for a tour of the Gardens and to learn more about how you can make a lasting tribute gift.
