The number in parenthesis after each category indicates the total number of providers who reported their rates to Child Care Network. The average rate is based on this number, not on total number of licensed programs in each category.

"N/A" in both the hourly and the weekly categories indicates that there are no providers that accommodate that age group. "N/A" in either hourly OR weekly indicates that the home or center does not bill according to the category.

### Range of Average Costs for Child Care
